Mr. George Briest  
Engineering Manager  
Olivenhain Municipal Water District  
1977 Olivenhain Road  
Encinitas, CA 92024

In reply refer to:  
POTW:01-0371.02:BOTT

Dear Mr. Briest:

**REVISED TENTATIVE ADDENDUM NO. 2 TO ORDER NO. R9-2003-0007, MASTER RECLAMATION PERMIT FOR THE OLIVENHAIN MUNICIPAL WATER DISTRICT, 4-S RANCH WASTEWATER TREATMENT PLANT, SAN DIEGO COUNTY**

Enclosed is a copy of the revised Tentative Addendum No. 2 to Order No. R9-2003-0007, which staff intends to present to the Regional Board for adoption at their regularly scheduled meeting on August 10, 2005. The revised Tentative Addendum No. 2 incorporates all of the comments received from the State Department of Health Services as a redline strikeout version of the original draft, and also corrects some minor typographical errors.

If adopted, the revised Tentative Addendum No. 2 to Order No. R9-2003-0007 would permit and regulate the use of UV disinfection for the production of tertiary recycled water at the 4-S Ranch Wastewater Treatment Plant.

The August 10, 2005 meeting will begin promptly at 9:00 am and will be held at the following location:

Water Quality Control Board  
Regional Board Meeting Room  
9174 Sky Park Court  
San Diego, CA

I understand that you have indicated concurrence with the proposed language as contained in the revised Tentative Addendum. Should you have any comments on the revised Tentative Addendum No. 2, please let us know as soon as possible.

***California Environmental Protection Agency***

Mr. George Briest
